Driver's Education will be offered two ways this year. Option 1 will be with an instructor from Licking Valley Driving School for two weeks after school. Option 2 will be an online class that students will complete in-person with the after school program. Both options will require students to complete 24 total hours of driver's education. Students will be required to complete an additional 36 hours in-person with the after school program for driver's education to be free.
